Testimonials

Gavin Brown

Gavin Brown is an AFL football legend and currently an Assistant Coach for Collingwood. He played for Collingwood in the 1990 premiership, won two Magpie best and fairests in 254 games between 1987 and 2000 and captained the club for five seasons. He kicked 195 goals for Collingwood and played 11 State of Origin games for Victoria.

Gavin is one of the most highly respected (former) players in the AFL and is well known for his commitment and integrity.

We organised for Gavin Brown to have his black car treated with Glare Infinity Plus to see what he thought of the product. Here is what he said:

**"It looks like the car has had a brand new paint job. The depth of shine is amazing!
My car had a lot of swirl marks and they're gone!
It's so easy to wash now. It seems to stay cleaner as well. I recommend Glare Infinity Plus to anyone - it really does work, and most black cars look really bad because of swirl marks."**

More Testimonials

Glare Polish contains the same main active ingredient (Glassplexin). Read what people say about it [here](#)
